The Peace Region's Economic Development Alliance names Jandel Homes as "Business of the Year" at their Annual General Meeting.

Acheson, Alberta (November 7, 2016) - Jandel Homes is honoured to announce that they were named Business of the Year by the Peace Region Economic Development Alliance (PREDA) at the group's Annual General Meeting on November 4th.

PREDA is the partnership of Alberta's northwestern municipalities, educational institutions and business groups. In addition to announcing Business of the Year, the group presented the Town of Grimshaw with Community of the Year and Sexsmith Town Councillor, Isak Skjaveland was named Citizen of the Year.

"With so many really great businesses operating up in the Peace Country, it was an honour to learn that we had even been nominated for Business of the Year, especially from this well-respected group", says Jandel Homes' Owner and President, Mark Huchulak. "I am grateful for the support we receive in the region and the endorsement that this award represents. I understand that we are in a pretty elite group with the other award winners, it is indeed an honour".
