

\$7,919.00 and over 500 donations raised by Fill A House campaign!

Jandel Homes recently wrapped up its 7th annual Fill A House campaign, generating a total of 44 toy donations, 453 food items, 22 toiletries and \$7,919 in monetary contributions. Jandel Homes and Meadows of Morinville once again partnered with the Morinville Marvelous Moms' (MMM) Adopt A Family program for the campaign. All donations and money raised are provided to families in need within the Morinville and Sturgeon County areas.

2020 saw many challenges for both businesses and families alike. We [Jandel] knew this year's event was needed more than ever, so we made a few changes to ensure Fill A House could continue in this environment.

Our popular silent auction was moved from an in-person to an online event. Bidders had a chance to view items over a 5-day period this time. This provided those who haven't been able to attend previous events an opportunity to place their bids on a variety of items from gift certificates to home goods!

The MMM's wrap day will be condensed to a small team under AHS restrictions and we can't praise them enough! Picture this: our house is typically filled with 15-20 people broken down into wrap teams to power through gift preparation. This year, the same work will be done by a handful of wonderful volunteers - thank you!

Launched in 2014, the Fill a House Christmas Campaign is now an annual donation drive that Jandel Homes is incredibly proud to sponsor. The Fill a House Christmas Campaign has generated over 4,383 toy donations, brought in 9,045 food items and raised more than \$99,889 in monetary contributions.

In 2020, Fill A House was sponsored by Jandel Homes Ltd, Meadows of Morinville, Priority Printing, Triple M Housing, CFCW, Black Road Trucking, Iron Eagle Pilings, Prism Engineering, Bluetrain Inc, McLennan Ross, McLeod Home Hardware, Travelers Canada, Calahoo Waste, Bec Electric, Mason Landscaping and TGB Welding.
